

From Gainsboro Garage to SunnyLand Laboratories

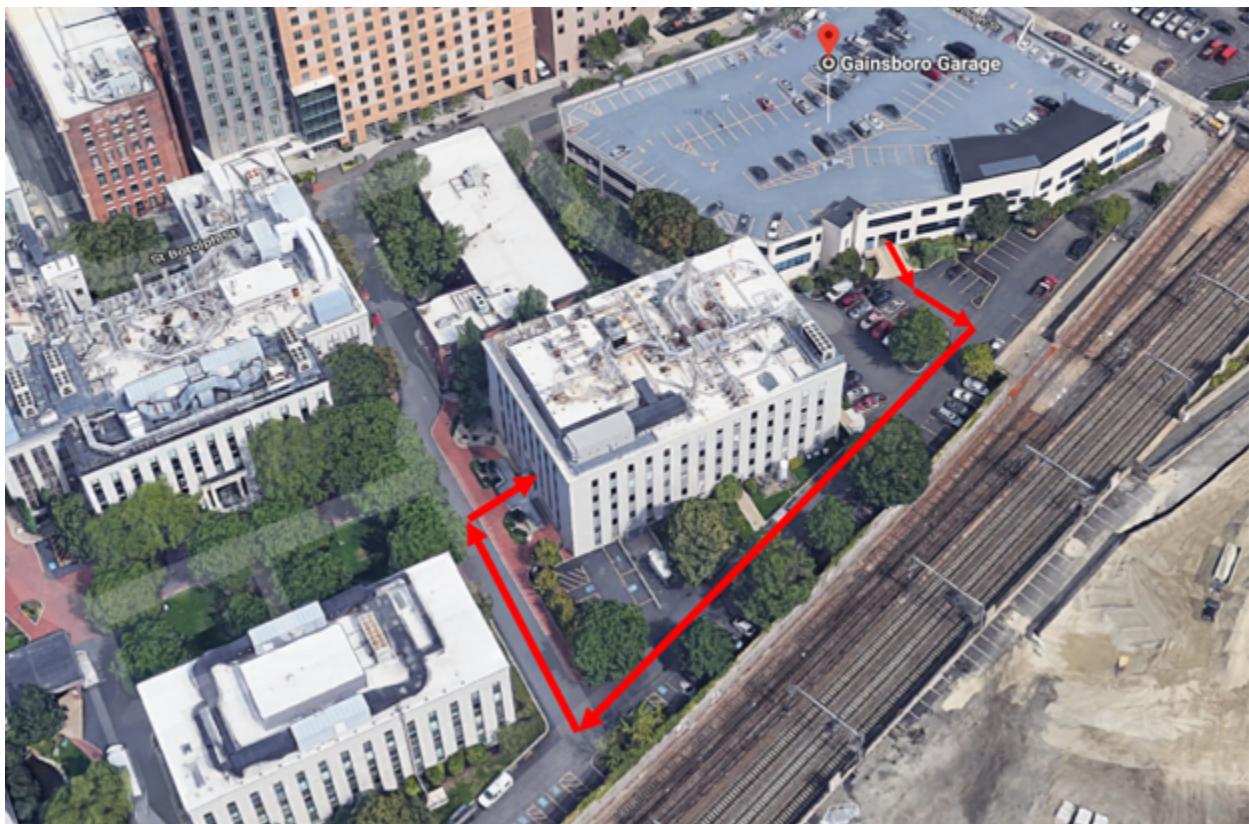

Depending on the exit chosen from Gainsboro garage, there are several ways to Hurtig Hall.

1. Using the main entrance/exit of Gainsboro garage, you'll exit the garage and find yourself on Gainsborough St facing the Matthews Arena parking lot.

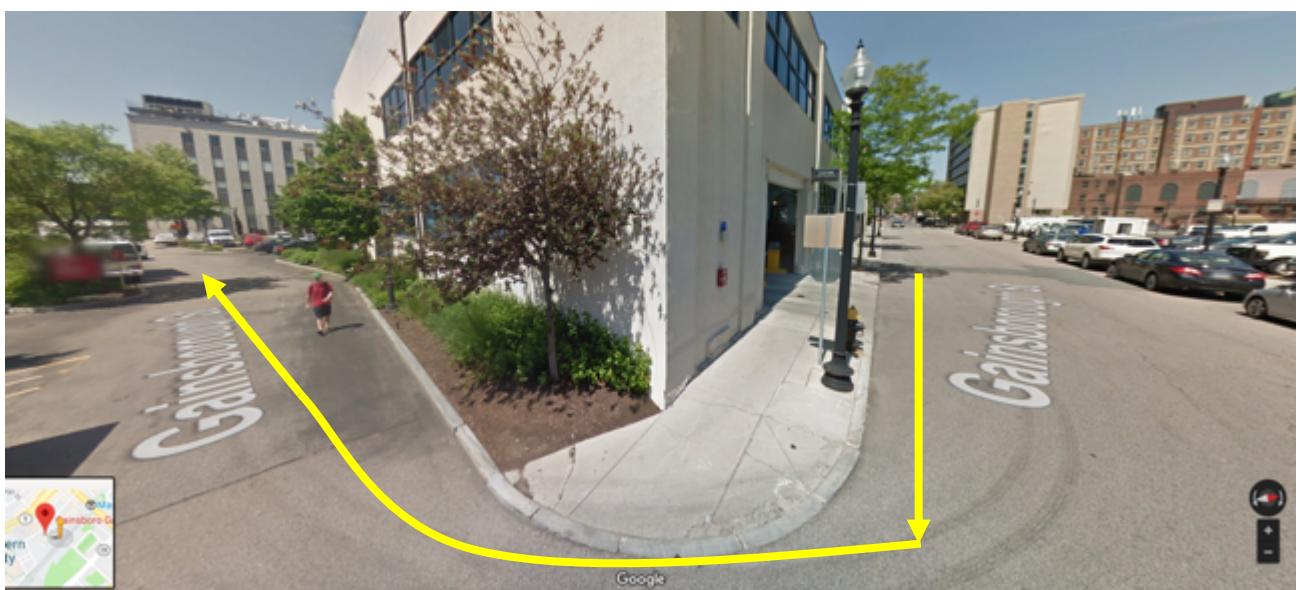

2. Shown above in **YELLOW** is the easiest and fastest way to Hurtig Hall. Simply follow the path of parking spaces/parked cars running parallel to the train tracks until you walk around a light grey building (Hurtig Hall) and begin to see brick walkways.
3. Upon following the brick walkways, **you will reach the front entrance of Hurtig Hall.**
4. After walking through two sets of double doors and two flights of stairs, turn right, pass another set of blue doors.
5. Continue around the corner, taking a left. The elevators will be on the left side of the hall and the stairs will be further down to the right. Sunny's office is on the 4th floor.
6. Upon exiting the **elevator**, turn right and continue on this path around the building until you've reached room 424. If exiting from the **stairs**, turn left and continue on this path around the building until you've reached room 424.

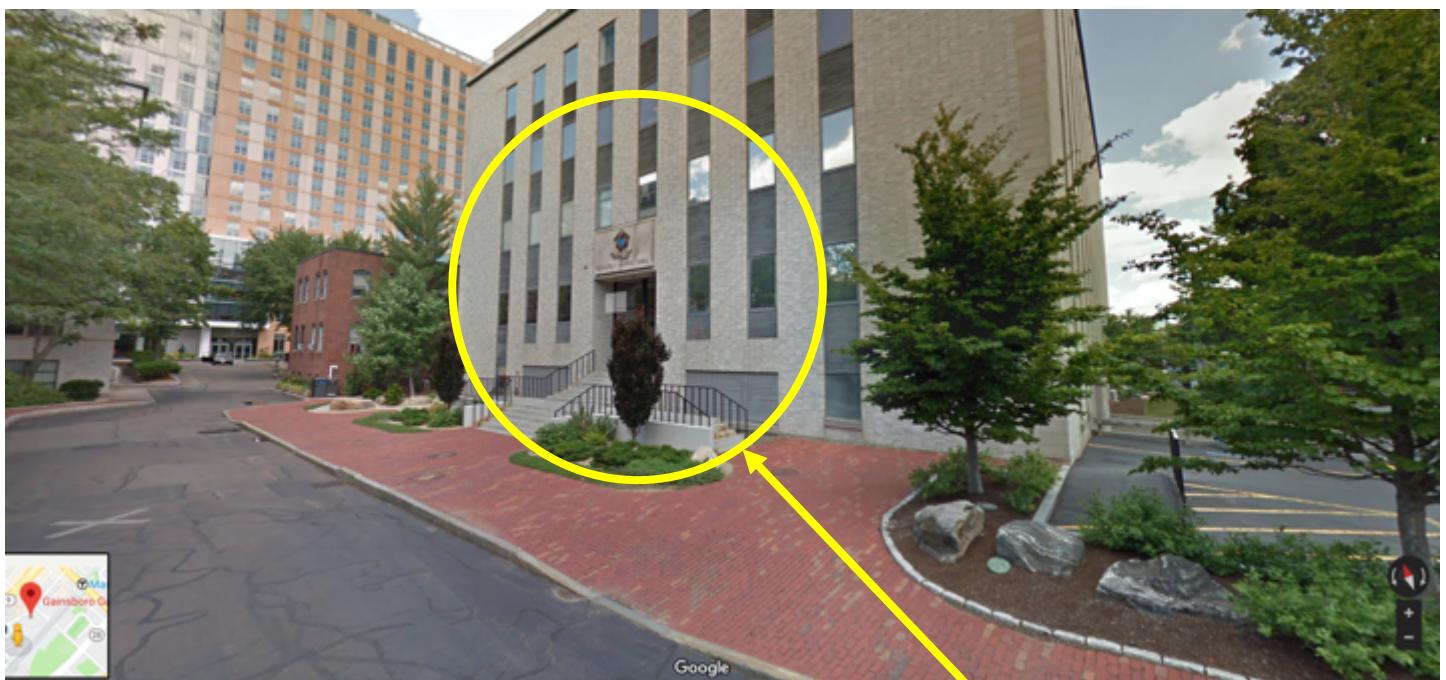

If you exit from Gainsboro Garage and arrive on St Botolph St, the directions are described in the **PURPLE** path. The directions once entering Hurtig Hall can be found above, steps 4-6.

The only other exit from Gainsboro Garage is shown below in **RED** and is very similar to the yellow path. Simply walk towards the light grey building, around to the other side where the main entrance of Hurtig Hall will be.
